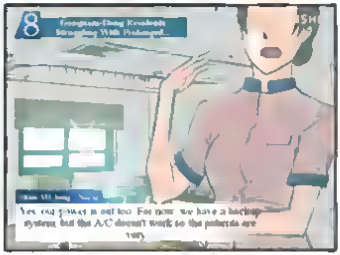
Gangnam-Dong Residents Struggling With Prolonged
Ugh, don't get me started. The amount of fish dying in the water tanks because of this outage is no

Total Comments 40

ㅎㅎ so funny lololol as expected, MBS is an idiot lololol

ㅎㅎ i saw too lolol citizen job was 'fish store CEO' lol 'nurse'

ㅇㅇ just how rushed was their reorganization lololol



lololol for an interview like that, don't you normally put their name and their location? why their occupation lolol

hey, omg lolol even a handcart CEO made an appearance lol

but why did they even interview a handcart CLO?????? do they have anything to do with the power outage?

it's because MBS is an idiot lolololol

Oh, there's even a novelist.

ooooh, a novelist, but is he really? he's so damn good-looking

novelist? of what? does he write novels with his face? he's so handsome

Gangsan-Dong Residents Struggling With Prolonged...
Because of the outage my A/C's down I came here hoping my friend's cafe A/C worked, but it doesn't. So

oh Yeo Baek Ha? i read the books he wrote they're really fun

i read it too. i have all 4 volumes

- i have all his books too, i'm excited because i heard part 2's coming out soon

i bought all the books too but they were expensive because it's hardcover shit

hey, what's that book called

it's called the 'Key Series' and right now, season one's out. the publishing company did a lot of advertising saying that part 2 would be coming soon

the season one that's out right now is 4 volumes, and the next to come out is season 2 they said that it's also gonna have a couple volumes lol

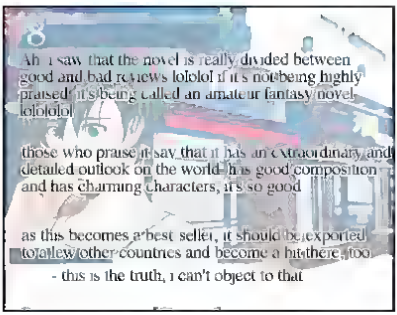
– my wallet!!! my salary's gonna disappear in the blink of an eye TT TT TT TT TT TT TT

ah, and did you guys know? he started writing this when he was 19 years old lololol

– woah, really? that's so cool when i looked him up, it said he was 21 years old right now, that's awesome

but if the first part is 4 volumes of hardcover, i might get a bit boring if the second part is just as long

- nononononononono the first part is definitely not boring but the first part isn't really completed, either ㅠㅠ author, hurry and give us part 2 ㅜㅜㅜ



Ah i saw that the novel is really divided between good and bad reviews lololol if it's not being highly praised it's being called an amateur fantasy novel lolololol
those who praise it say that it has an extraordinary and detailed outlook on the world it is good composition and has charming characters, it's so good
as this becomes a best seller, it should be exported to allew other countries and become a hit there too
- this is the truth, i can't object to that

ah, i never knew what that author looked like because he doesn't like making sales off his looks he never did a book signing even when he got so popular, but to think he was this handsome

- shit, this world is so damn unfair

dude lol i never even knew his face lolol MBS sure is

the news is blowing up lololol

omg lololol the news lolololololololololol
